Na temelju odredbi članka 21. Statuta Veleučilišta Aspira te Pravilnika o nagrađivanju studenata raspisujem

NATJEČAJ
o dodjeli nagrade studentima za akademsku godinu 2024./2025.

(1) Nagrade i priznanja dodjeljuju se studentima/-icama stručnog prijediplomskog i diplomskog studija Veleučilišta Aspira **u Splitu te u Nastavnom centru Zagreb** za izniman uspjeh u akademskoj godini, naročiti uspjeh u sportskim, umjetničkim, kulturnim ili drugim aktivnostima koje su od značaja za rad Veleučilišta Aspira, odnosno za izniman angažman u izvannastavnim aktivnostima te za najbolje studentske radove i projekte.

(2) Studentima se nagrade i priznanja dodjeljuju u tri kategorije:

a. Najbolji prosjek ocjena na pojedinom studiju (Dekanova nagrada):

- Nagrada za ovu kategoriju dodjeljuje se na temelju akademskog uspjeha u prethodnoj akademskoj godini (težinski prosjek ocjena mora biti iznad 4,0) koju je student ostvario na svome studiju i na temelju sveukupnog angažmana u nastavnim i izvannastavnim aktivnostima.

- Pravo na Dekanovu nagradu ostvaruju studenti koji su prvi put upisani u godini, osim ako je u prethodnoj akademskoj godini završio studij na Veleučilištu Aspira te studenti koji su uredno ispunili sve svoje studentske obveze predviđene Izvedbenim planom i programom, koji su položili sve upisane ispite i koji su svojim sveukupnim stavom prema studijskim obvezama i kolegama bili primjer ostalim studentima Veleučilišta Aspira.

- Ukoliko više studenata ima isti prosjek prednost ima student koji je tijekom akademske godine ostvario viši postotak nazočnosti na nastavi i drugim nastavnim ili izvannastavnim aktivnostima te nije ponavljao niti jedan ispit.

b. Izniman angažman u izvannastavnim aktivnostima:

- Nagrada za ovu kategoriju dodjeljuje se studentima za poseban angažman i doprinos radu Veleučilišta Aspira, odnosno onim studentima koji su uzorni na nastavi te uredno izvršavaju svoje studentske obveze te koji su se istakli u sportskim, umjetničkim i kulturnim aktivnostima i natjecanjima i/ili su volontirali ili organizirali volonterski i humanitarni rad i/ili su osvojili međunarodnu ili državnu nagradu i/ili aktivno sudjeluju u studentskim udruženjima i/ili su

sudjelovali u organizaciji radionica, edukativnih ekskurzija, tribina, okruglih stolova i sl.

c. Najbolji studentski rad ili projekt:

- Nagrada za ovu kategoriju dodjeljuje se studentima koji su autori ili koautori (s mentorom ili kolegom studentom) jednog ili više znanstvenog ili stručnog rada koji je objavljen u kategoriziranoj publikaciji, a da nije seminar ili završni rad, i/ili studentima koji su sudjelovali u prijavi i realizaciji studentskog, nacionalnog, međunarodnog ili EU projekta, i/ili studentima koji su izlagali na znanstvenom ili stručnom skupu

(3) Isti student se može se prijaviti u više kategorija i biti nagrađen u više kategorija.

(4) U svakoj kategoriji dodjeljuje se po jedna nagrada studentu svakog stručnog prijediplomskog i jednom studentu svakog diplomskog studija Veleučilišta Aspira Splitu i Nastavnom centru Zagreb.

(5) Za kategorije u kojima nema prijavljenih studenata ili za koje prijavljeni studenti ne zadovoljavaju uvjete se neće dodjeljivati nagrade.

(6) Kandidati svoje prijave za natječaj mogu predati studentskim referadama najkasnije do **22. rujna 2025. g. u 16 h** u zatvorenoj omotnici, a u njoj će priložiti:

- naznaku za koju od kategorija se student/-ica prijavljuje;
- ostalu dokumentaciju kojom se dokazuje ispunjenje uvjeta za prijavljenu kategoriju (poput prijepisa i prosjeka ocjena; opis i potvrde o izvannastavnim aktivnostima na Veleučilištu; međunarodna ili državna nagrada; potvrda o volontiranju ili organizaciji volonterskog i humanitarnog rada; dokaz o aktivnom u sudjelovanju u studentskim udruženjima i/ili sudjelovanju u organizaciji radionica, edukativnih ekskurzija, tribina, okruglih stolova itd.; stručni i znanstveni radovi koji su objavljeni u kategoriziranoj publikaciji u protekloj akademskoj godini; potvrda o prijavi i realizaciji studentskog, nacionalnog, međunarodnog ili EU projekta, i/ili o izlaganju na znanstvenom ili stručnom skupu; i sl.)

(7) Sve pravodobne i potpune zaprimljene prijave razmatra Povjerenstvo o dodjeli studentskih nagrada. Nepravodobne i nepotpune prijave neće se razmatrati.

(8) Nagrade će se dodijeliti Dekan studentima Veleučilišta Aspira na svečanosti početka akademske godine ili na drugom adekvatnom događaju. Nagrada se dodjeljuje u obliku pisanog priznanja i prikladnog poklona.

Based on the provisions of Article 21 of the Statute of the Aspira College of Applied Sciences and the Rulebook on rewarding students

OPEN CALL
on awarding students for the academic year 2024./2025.

(1) Awards and recognitions are awarded to undergraduate and graduate students of the Aspira College of Applied Sciences in Split and the Zagreb Education Center for exceptional success in the academic year, special success in sports, art, culture or other activities that are important for the work of the College as well as for an exceptional engagement in extracurricular activities and for the best student works and projects.

(2) Awards and recognitions are awarded to students in three categories:

a. The best grade point average in a particular study (Dean's Award):

- The prize for this category is awarded on the basis of academic success in the previous academic year (weighted grade point average must be above 4.0) that the student achieved during his studies and on the basis of overall engagement in teaching and extracurricular activities.

- Students who are enrolled for the first time in the year are entitled to the Dean's Award, unless they completed their studies at Aspira College in the previous academic year, as well as students who have duly fulfilled all their student obligations stipulated in the Executive Plan and Program, who have passed all the exams they have entered and who, with their overall attitude towards their study obligations and colleagues, were an example to other students of Aspira College.

- If several students have the same average, priority is given to the student who during the academic year achieved a higher percentage of attendance at classes and other curricular or extracurricular activities and did not repeat a single exam.

b. Exceptional involvement in extracurricular activities:

- The award for this category is awarded to students for special engagement and contribution to the work of Aspira College, i.e. to those students who are exemplary in class and properly fulfill their student obligations and who have excelled in sports, artistic and cultural activities and competitions and/or volunteered or organized volunteer and humanitarian work and/or won an international or national award and/or actively participated in student associations and/or participated in the organization of workshops, educational excursions, forums, round tables, etc.

c. The best student work or project:

- The award for this category is awarded to students who are authors or co-authors (with a mentor or fellow student) of one or more scientific or professional papers published in a categorized publication, which is not a seminar or final paper, and/or to students who participated in registration and implementation of a student, national, international or EU project, and/or students who presented at a scientific or professional meeting

(3) The same student can register in several categories and be awarded in several categories.

(4) In each category, one prize is awarded to a student of each undergraduate program and one student of each graduate program of the Aspira College of Applied Sciences Split and the Zagreb Education Center.

(5) No prizes will be awarded for categories in which there are no registered students or for which the registered students do not meet the requirements.

(6) Candidates can submit their applications for the competition to student departments no later than **September 22, 2025. at 4 p.m.** in a sealed envelope, in which he will enclose:

- an indication of which of the categories the student is applying for

- other documentation that proves the fulfillment of the conditions for the applied category (such as transcripts and average grades; description and confirmation of extracurricular activities at the University; international or state award; certificate of volunteering or organization of volunteer and humanitarian work; proof of active participation in student associations and/or participation in the organization of workshops, educational excursions, forums, round tables, etc.; professional and scientific papers that were published in a categorized publication in the past academic year; confirmation of registration and implementation of a student, national, international or EU project, and/ or about a presentation at a scientific or professional meeting; etc.)

(7) All timely and complete applications received are considered by the Committee on Student Awards. Late and incomplete applications will not be considered.

(8) Prizes will be awarded by the Dean to Aspira College of Applied Sciences students at the commencement ceremony of the academic year or at another appropriate event. The award is given in the form of a written acknowledgment and a suitable gift.
